

Sustainable Big Bend, Inc.
2014 Green Living Expo
April 26, 2014

Attention Green Vendors,

Plans are underway for the 2014 Green Living Expo and Green Flea Market presented by Sustainable Big Bend, Inc. and to be held at the TCC Wakulla Center and Hudson Park in Crawfordville on April 26th. The event is free and open to everyone. An important component of the Expo is the exhibition space where exhibitors can showcase their products and services and provide information and/or education to attendees about their organizations.

At the last Expo more than 500 visitors from throughout the Big Bend region registered. If you own or operate a business or nonprofit organization that offers products, services or education about green and sustainable living, or if your business incorporates green practices into its everyday operations, we would welcome the opportunity to showcase you at the 2014 Expo. The exhibit area provides low-cost exposure to hundreds of potential customers in the area.

Additionally, if your business would like to be a part of the Sustainable Big Bend team but choose to not exhibit, we offer sponsorship opportunities that will give your organization 'green' exposure through our ads and promotions.

Exhibitor space is limited and is reserved on a first come, first served basis. Each exhibitor is allotted a 10' x 10' space and will be responsible for their own tent, tables and seating. The deadline to reserve is April 10th, 2014. Reserved exhibitor space is confirmed upon the receipt of the completed Exhibitor Form and payment if applicable.

For sponsorship information contact Sandy Cook at 926-5045 or email her at sandy2888@centurylink.net.

Please return vendor and exhibitor forms to Angret Piasecki at apiasecki@comcast.net or contact her at 926-5049. See us on Facebook or at www.sustainablebigbend.org

We look forward to hearing from you.
